Preliminary Statement

1. Recruit Training Command (RTC) received a letter from (b) (6) addressed to the President of the United States that alleged various actions of misconduct by staff and students during (b) (6)(b) (6)(b) (6) time at RTC from September to October 2018. These actions include: various levels of assault, racist remarks, homophobic remarks and actions, sexual harassment, sexual assault, and other disparaging acts. The investigator called (b) (6) to gather additional, specific information on the allegations and noted them in the margins of enclosure (2).

2. During the course of the investigation, members of the division 19-012, the division's Recruit Division Commanders (RDCs), and members of the Separations Unit were contacted. The investigator went through divisional records and contact information in an attempt to contact as many witnesses as possible. These efforts are noted in enclosure (4). Statements from seven former members of Division 19-012 were taken; their statements are included in enclosures (5) through (11). The investigator also received a statement from the accused (b) (6)(b) (6)(b) (6) (enclosure (12)) and the accused (b) (6)(b) (6)(b) (6) invoked (b) (6)(b) (6)(b) (6) right to remain silent (enclosure (13)). The investigator was unable to gather any information or evidence from the Separations Unit. He could not find any record of a report and the staff did not have any recollection or knowledge of the actions that (b) (6) alleges took place during (b) (6)(b) (6)(b) (6) time at Separations.

President Donald Trump
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Dear President Trump,

Earlier this year I made the decision to follow a family tradition and decided to enlist in the military. I wanted to be different then my family who had all been Army and Air Force and I decided to join the Navy. In Mid-September I shipped out to Recruit Training Command Great Lakes to start my Naval Career. Then because of actions all my own I found myself getting administratively separated from the Navy.

The reason I am writing you is because of the things that happened to me and some of the other recruits while I was in Basic Training and in Separations that I feel were inappropriate, over the line, and unprofessional.

Now I realize that part of Basic is getting yelled and beat down, and those are not the things that I have a problem with. I was prepared for them and expected them. The things that made me write this letter are not that though.

First off while in my division before getting separated our 1st and 2nd RDC's (b) (6) (b) (6) and (b) (6)(b) (6)(b) (6) would constantly use racist, homophobic, and religious

6-12 focused individuals

↳ (b) (6)

insults to multiple recruits. I personally was called a cracker, faggot, retard, and combinations of those words and other profane words. I also witnessed them berating multiple recruits who were not from the U.S. and forcing them to do unnecessary tasks that put them behind everyone else in the division, which they were then punished for. They also made a recruit stand in the P-way for almost 3 hours and laughed about how they were making him stand out there for no reason. Faggot, then perverted (would fuck on him)

(b) (6)(b) (6) made multiple recruits do things such as hug and kiss the doors, walls, and floors. (b) (6) also made them lie down on the floor of the restroom. (b) (6) would also say they were "wastes of oxygen", "not worth life", "waste of flesh". (b) (6) also did not let me and many other recruits attend our religious services or talk to the chaplain. And when we asked (b) (6)(b) (6) (b) (6) said the same as (b) (6)(b) (6)(b) (6) (b) (6) would also flip recruits' racks tossing all of their stuff across the compartment, damaging and sometimes destroying the recruit's stuff, then would make them go to the NEX and buy replacements.

(b) (6)(b) (6) was the worst of all. At first, (b) (6) seemed just like a hard ass and wanted to go by the rules, but our first night with (b) (6) told us that (b) (6) didn't care if any of us graduated. (b) (6) only cared about winning the Captain's Cup. (b) (6) also said (b) (6) would make up reasons to separate us if (b) (6) thought we would stop (b) (6) from winning it. After that first night (b) (6) seemed to just get worse. At first, (b) (6) would yank recruits' keychains off their necks, a few times breaking them and making the recruit choke or gag. (b) (6) would call the division "fags" or "faggots" when they had us hygiene.

(b) (6)(b) (6) had two recruits hold hand and stand extremely close to each other while screaming at them asking if they were gay or fags. (b) (6) and (b) (6) grabbed multiple recruits' heads and shook them around while calling them "retarded" and "fuck-ups". (b) (6)(b) (6) would put (b) (6) hands-on recruits, first asking them "May I touch you?", but before they could answer (b) (6) would yell, "I don't care, I can touch whoever I want."

While we marched (b) (6)(b) (6) and (b) (6)(b) (6) would slam on recruits' feet and would kick them in the ankles and push them down if they got out of step, they would usually both wear steel toed boots as well. (b) (6)(b) (6) would slam himself into recruits,

If shoe came off, kick away
and not let retrieve

knocking them down and pushing them into things and other recruits, then would laugh at them and yell at them for falling over.

Both (b) (6)(b) (6) and (b) (6) would punish anyone who got LLD or SIQ. They would yell at them, make them do things they shouldn't have been doing, not letting the SIQ's sleep and making them do things like clean the head.

compartment

After I was Separated and being transferred to Separations I had to go to our compartment to retrieve all of my things, (b) (6)(b) (6) and (b) (6)(b) (6) went with me and berated me and yelled at me saying the reason I was getting separated was a lie and that I just wanted to quit. They also called me a "worthless piece of meat", "A waste of oxygen", and many combinations of the insults and profane words stated earlier. They even kicked my Sea bag over and dumped all my stuff out, then laughed while I had to put everything back into it.

(b) (6)

Now once I got into the Separations compartment things just seemed to get worse. I was assaulted multiple times during the 2 weeks I was in the compartment. I was also sexually harassed and assaulted, and when I tried to report it I was told by the recruit leadership and the UC's that nothing would happen if I reported it anyway. We were also harassed and berated by other RDC's and Chiefs for what seemed to be no apparent reason. There was also an incident where (b) (6)(b) (6) my old chief, yelled at one of the other recruits in separations, who happened to be Muslim, and made remarks about his religion and told him to fight. (b) (6)(b) (6) then got into the recruit's face screamed at him and called him a very disgusting name that I don't even want to repeat. "Sandnigger"

While in separations we were also kept from going to speak to the chaplain, and were only able to when a recruit ran into him on the quarter deck and told him what was happening. There were also multiple recruits who multiple times told UC's and Recruit leadership that they were having psychological issues and had thoughts of harming themselves or others and they were just told to go sit in the fishbowl for a few minutes and the UC would go sit with them, usually yelling at them, except for 2 who actually helped us after almost 2 weeks of practically begging.

who??

Made statements (written) to
UC's & given to OOD
@ Ship 5

Reported times
but nothing
happened so
stopped reporting
told UCs about
sexual harassment
& sexual assault.

what?

This is not the Navy that I signed up for, and I do not want to be a part of a military that allows things like this to happen. I thought I was alone in this, but while in separations I heard a lot of the same stories, and some that were even worse. The UC's told us to write a letter to the CO, but nothing would most likely happen. I am begging you to take a look at what is going on in your military. There are honest good men trying to serve their country being punished and tortured because they are different than the people in charge. I cannot believe someone like (b) (6) has been able to rise through the ranks and have control of entire divisions for this long doing the things that (b) (6) has done. I am begging you. Please look into it.

I was eager to serve my country and follow in my family's footsteps, and now I am scarred from the things that I went through to the point that I'm not sure if I want to even try and re-enlist. I have been depressed and damaged from this experience and fear I will not be the same. I beg that something is changed so that no one has to go through what I had to for what should have been a simple process.

Sincerely,

(b) (6)

Subject: [Non-DoD Source] Bootcamp

Good evening sir,

There were quite a few instances where things in bootcamp began to become unprofessional and out of line with one of the instructors. This instructor had been kicking several recruits in the back of the heel whenever they would become out of step while marching or fail at intensive exercises. Several recruits including myself were physically thrown out of the marching line for silly mistakes and one recruit had a racial slur put on (b) (6) when the instructor had said "I thought you Asians were supposed to know how to count". In one instance I was thrown to the ground after having not stenciled my laundry bag. There were never any recruits that were singled out but rather if someone made a mistake such as one mentioned above they would have similar outcomes. That is all I can recollect from bootcamp, I hope I have been of some help.

I honestly don't remember much from bootcamp, but I do remember one of our petty officers ((b) (6)(b) (6)(b) (6) (b) (6) being racist to one of the recruits, as well as kicking a recruits feet when (b) (6) want in step. But other than that I don't recall much.

Subject: [Non-DoD Source] Boot camp witness statement

Good morning Sir,

The email below contains my witness statement of the incidents that occurred during September 20th - October 6th. In this time frame I witnessed unprofessional behavior conducted by my second RDC, (b) (6) (b) (6) actions included shoving or pushing of recruits during marching exercises, as well as a comment to a recruit due to (b) (6) race. This incident occurred on the grinder of ship 6 as we prepared for a march to training. (b) (6) stated something along the lines of "You're asian aren't you supposed to be smart." These are the only unprofessional actions the I witnessed during said time frame. I would also like to state that (b) (6)(b) (6) and (b) (6) did not conduct themselves in an unprofessional manner at any time.

Very Respectfully

hoodie of a recruit. Answer is No, the recruit did not have a cover at a time but it was already too late because we were outside marching already. I grabbed his hoodie and put it over his head. (b) (6) asked if I grabbed a recruit by the neck. No, I grabbed a recruit on their uniform (collar, piece of fabric) but not to choke or drag them but just to simply get them to where they need to be. (b) (6)(b) (6) asked if I yanked a recruit by the collar. No, like the previous answer, it is not my intent to hurt a recruit. I did not drag or yanked a recruit. Yes I grabbed their uniform and pulled to get them and show them where they need to be during drill. (b) (6) asked if I push any recruit. No, I did not push any recruit. (b) (6) asked if I told a recruit that he should be smart because he's Asian. The answer is Yes. I said that. (b) (6)(b) (6) asked if I grabbed a recruit on their head. The answer is NO, I've grabbed the brim of their cover yes. (b) (6) asked if I kick a recruit on the ~~calves~~ ^{or calves} calves during TIE. No I did not. (b) (6)(b) (6) asked if I kick recruits in the ankle during any time. NO, although I understand how it can be viewed like that. When we march, I tell my division that, if the recruit in front of you is out of step, step on their shoe, do not avoid their feet because that will only put you out of step. and when ~~there~~ ^{they're} they're still out of step, I'll march behind the out of step recruit and eventually step on their shoe because they're out of step. (b) (6) asked if during this push if I've thrown anything around the compartments. Yes. trainee guides and checkpoint notebooks. (b) (6) asked when I fired RCPD, did I snatch his belt. Yes I snatched the belt from his hand. (b) (6)(b) (6) asked if I snatched a recruit from their backpack. The answer is NO, I did not snatch a recruit, although Yes I've grabbed their

backpacks to guide them and to get them to where they need to be. After the (b) (6) asked, explain the situation when the recruit's nose bled during the ITE. It was long after the ITE when "we" were we are getting ready forchow. I was walking the hour and this recruit was in the back with his nose bleeding. I asked him if he needs to go to medical. He said yes, and then I asked if he ~~was~~ wants to go eat first and go to medical if it's not serious. He also said yes. The recruit ~~at~~ went to medical after chow. (b) (6) asked if I ever did \$10 cents to the division. The answer is no. I am not a monster or on a power trip. I want these recruits to be the best that they can be. By the sound of the allegations, it seemed like that it's getting exaggerated. It is never my intention to physically hurt anyone, and if I did then I'm really sorry. I did not punch, yell, pulled around. I did grab them by the backpacks, piece of clothing but it's only to show them what to do and get them where they need to be during drill. I never denied a recruit medical attention, always fed them their meals, always made sure that the bed they're sleeping on are clean, always made sure that they showered and cleaned themselves off. But when it comes to training, I train hard, I am passionate about the job and I take this seriously. I understand how some of the stuff mentioned can be looked at as hurting them but I promise it's never my intention and like I said, if I did hurt anyone I am very, very sorry.

RESUME OF REASONS THAT CAUSED COUNSELING REQUIREMENT (Give details, facts, dates, names, sequence of events)

On 6 August 2018, (b) (6) was preparing to conduct intensive training exercises on the division and flipped over a chair, which caused a table in the center of the compartment to break apart. The incident occurred in the presence of four blue-rope RDCs observing training. The destruction of government property, whether intentional or through neglectful actions, is unacceptable and unprofessional.

SOLUTION THAT YOU AND THE INDIVIDUAL DEVELOPED AND DISCUSSED TO OVERCOME THE PROBLEM(S) AND PRECLUDE FUTURE INVOLVEMENT. (Outline all solutions and indicate which one(s) individual freely elected)
